## *Superintendent's Message*

To the Class of 1957:

Congratulations! Another step has been achieved in your formal educational ladder. To some of you graduation will mark the end of formal education, to others, it will mean a momentary step before continuing on.

Your teachers, parents, and other citizens have conscientiously strived to give you the best type of education to better qualify you for the many challenges facing you today.

May your success be assured in whatever endeavor you may choose to follow.

*John A. Freitas*

Sincerely,

John A. Freitas

## *Dedication*

We dedicate this yearbook to Mr. Cate, a teacher and friend of the Senior Class for the past three years.

He has always been ready to lend a helping hand. His presence has made our years at Hartford High most profitable and enjoyable. A sincere dedication to you, Mr. Cate, from the Class of 1957.

*Best Wishes, Donna,  
I still think teaching  
will miss you.  
Winston A. Cate, Jr.*

## *Appreciation*

This is to let Mr. Hall know that even though he has been in the "cellar" these many years, he has not been entirely forgotten. His efforts have always been appreciated. May he always keep his sunny smile and open friendliness.

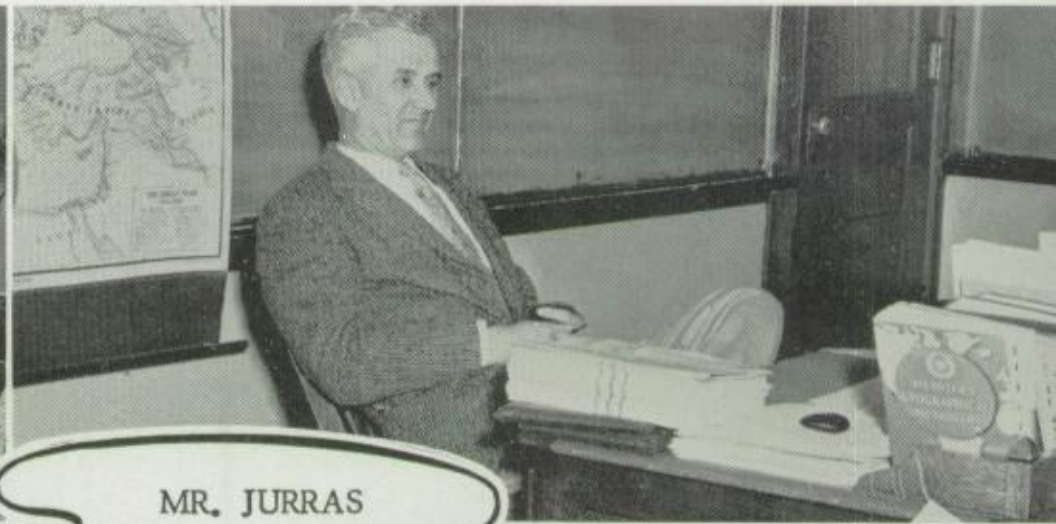

To him we give a long deserved and well earned "Thank You."

## *President's Message*

I would like to offer my sincere thanks for the fine co-operation given to me during my term of office. As president this was my first position as a class officer. I realize that mistakes were made along the way. We did not always agree on matters. However, in the final analysis everything turned out for the best. This was all made possible because of the excellent group of class officers and teachers who were always ready to assist me.

I wish the best of luck to all seniors leaving the hallowed halls of Hartford High. To all future classes, may you also carry away many pleasant memories.

## PRESIDENT'S MESSAGE

To the Students of H. H. S.

Primarily I would like to thank the student body for the trust they placed in me, and the co-operation they gave the Student Council this year. I would also like to thank the members of this year's Student Council; they have been a wonderful group with which to work.

Among the purposes of the Student Council this year, a predominating aim has been the promotion of school spirit. All of our efforts have been met enthusiastically by the student body. We have also tried to promote other activities throughout the year, and your response has been most gratifying.

I could wish no more for next year's Student Council President than to have a student body as co-operative as this year's has been.

Gratefully yours,

*Frank G. Mahady*

The National Honor Society under the name of the Lyman Chapter is to create an enthusiasm for scholarships, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in students of Hartford High School.

Each member is selected on the basis of scholarship, service, leadership, and character. The Seniors selected must have a scholarship average of 85 or above, and the Juniors must have an average of 90 or above. The membership may consist of 15 per cent of the Senior enrollment and 10 per cent of the Junior enrollment.

Our club has been in operation for two years with Miss Van Deusen as sponsor. Our projects have been the distributing of report cards to honor roll students in an assembly and sponsoring a plaque to designate the homeroom with the highest percentage on the honor roll each marking period.

The 1956-57 basketball team of H. H. S. will be remembered as the "Comeback Team."

Opening the season with a single veteran hold-over from the previous season, Hartford suffered seven successive set backs in pre-league games.

Hitting its stride in January this same team won nine out of its last ten games to win the Twin State League Title. No one individual can be selected as outstanding, for the success of this team was wholly attributed to team effort.

The class of 1957 held its Junior Prom on April 27, 1956, with "Moments to Remember" as its theme.

Anne Jordan was prom chairman with the whole class backing her.

The gymnasium was decorated with pink and white crepe paper, silhouettes, a wishing well in the center, and with an elaborate throne at the rear of the hall.

Loretta Gross was crowned Queen of the prom with Emma Haley, Marie Oliva, Patricia Simmons, Nancy Brower, and Rowena Procter, as her court.

Music was by the Ambassadors.

We hope the oncoming classes may get as much enjoyment from their proms as we did from ours.
